## IMPORTANT INFORMATION

### RENTER IS RESPONSIBLE FOR:

- Any damage to rented unit.
- Tire damage or excessive wear. (Tire wear will be charged on off-highway trucks, 980H and larger wheel loaders, and 623G and larger scrapers.)
- Replacing teeth and cutting edges as needed.
- Changing all lubricants and fluids at required intervals.
- Daily inspection of unit for damage, leaks, etc.
- Checking and maintaining all fluid levels daily.
- Servicing and changing all lubricants and fluids at required intervals (Note: filters, oil, and labor are at renter's expense).
- Lubricating required areas daily.
- Having proof of insurance (general liability insurance of \$1,000,000).
- Returning unit in reasonably clean condition. Minimum cleaning charge of \$100 will be assessed if returned extremely dirty.
- Commercial Driver's License (CDL) required for rental of water trucks.

## TERMS AND CONDITIONS

Rates quoted are for minimum 8-hour day, 40-hour week and 176-hour, 30-day calendar month.

Additional hours accumulated will be billed accordingly. All units subject to availability. Rates do not include sales tax, insurance coverage, or freight.

RENT-TO-RENT: Rates quoted in this document are rent-to-rent (talk to your sales rep for rent-to-own options). This program is for short-term rentals . . . day, week, or month.

FUEL CHARGE: All units are rented with a full tank of fuel. Make-up fuel added on return will be charged to the renter.

PURCHASE OPTIONS: Purchase Option Rental Rates are available upon request. Call your nearest Wagner location for details.

PREVENTATIVE MAINTENANCE: Required servicing (see Renter Responsibilities) can be arranged through our Preventative Maintenance Department. All required servicing can be performed in the field by Wagner Preventative Maintenance Technician, at renter's expense. Call your nearest Wagner location for details.

DYED FUEL is not allowed in on-highway equipment (water trucks). Customer will be liable for the cleanup of the entire fuel system should they introduce dyed fuel into the tank.

ADDITIONAL INSURANCE required for customer-provided transport .
