

# Wagner Maintenance Plans

**Benefits:** Wagner maintenance plan options will help you achieve uptime, stay on schedule and finish your project faster while saving you money. We stand by this commitment by offering Guaranteed Preventative Maintenance Schedule Times plus Parts and Labor Warranty.

Options include our Partner and Alliance Plans.

We will work with you and your technicians, to help maintain your Cat equipment investment. Our Preventative Maintenance Technicians will help monitor the health of your equipment and make every effort to anticipate issues before failure.

Our goal is to reduce your unexpected failure costs and ensure your continued profitability and production.

In other words, provide . . .

## Peace of Mind.
